3:33 JMershon522: @HasanAbi FROM THE TOP ROPE OOOO https://x.com/stclairashley/status/1930691134138855638

3:33 EZbel: I NEED MORE

3:33 Justin_Case19: HE DID GIVE HIM A LOT OF MONEY 🤡

3:33 CloudDistrictEnjoyer: @hasanabi This was before the most recent insults. All Elon had said at this point was he didn't like the bill

3:33 covermy_6: Elect a clown and get a circus KEKW

3:33 Dopersdelight: Shrug Well yeah

3:33 BOATPARADE: omg stop sending the damn tweet

3:33 architec45: Elon said trump is in the Epstein files on twitter

3:33 palomar12: until the dumbass dems try to adopt elmo like 2 of them are already trying it

3:33 R9Rocket: Have a nice day

3:33 zensolipist: thinking of him reacting to SNL @hasanabi

3:33 decrepitandthin: I love this story. however, it will get better!

3:33 trickykeys: Might have something on the guy

3:33 dotgobbler: he knows Elon is a threat

3:33 wana98: YEP

3:33 Megaphonix: @hasanabi hesRight https://x.com/drmistercody/status/1930708679113977877

CHAT APPEARANCE

Kappa: Hi there! 🎉

You may customize your Chat appearance below.

- Font Size Default Aa Aa Aa Aa
- Readable Colors
- Emote Animations
- Celebrations
- Timestamp For New Messages
- Replies in Chat Expanded >

TODO:

- Make separate React settings menu button and settings menu for overlay preferences
- Add tags to the messages in chat for sentiments
- When emote only messages are sent, tally them up instead of showing a message. Display the tallies elsewhere
- Link together blocks of like sentiment tags
- Have floating stat menu
- Preferences, filters, sorters, alerts

Status sub-menu

TODO:

- show visible sliding window stats
- show summary stats (chat was bored, now they are suddenly excited)
 - Show the most common sentiment as an emoji for chat history
- Emote tallies
- Links and topics of interest
- Hot takes
- Trending Jokes
